

Dormant Account Policy

In case a client's account remains inoperative for a period of 6 months continuously without any Trade the said account will be suspended for further trade and before such suspension, all funds and Securities lying in the account of the client shall be paid out. Such account will be activated only after Written confirmation from the client.

If the client insists on closure of his trading account, further trades in his account will be stopped Forthwith and after closing out all the positions, the accounts will be settled and his trading Account shall be closed immediately.
